New Delhi: The Centre on Monday said that Haj 2021 will depend on national-international protocol guidelines in view of the pandemic. Haj 2021 is to take place in the month of July. But a final decision will be taken after a thorough review of the coronavirus spread and the health guidelines of Saudi Arabia and the Government of India, he added. India and Saudi Arabia are in touch on this issue, he said. According to information, Rs 2,100 crore of 1.23 lakh pilgrims, who were unable to go on Haj this year because of the pandemic, have been returned without any deduction. The three-year pending amount of about Rs 514 crore of the Haj pilgrims has also been returned during this corona period. The result of the 100 per cent digital system in India is that money was sent directly into the accounts even during the ongoing pandemic, which has happened for the first time in the history of the Haj pilgrimage.
